

Curriculum Vitae

Personal information

First name(s) / Surname(s) **Klaus Rüdiger Helmut von Wild**
 Nationality German Suisse
 Address(es) 48155 Muenster, DE
 Telephone(s) +49 251 3977750
 E-mail kww@neuroscience.de

Occupational field

Neurological surgery,
 Restorative neurosurgery;
 Early functional neurosurgical neurorehabilitation (ENNR),
 Multidisciplinary neurotraumatology (TBI & SCI, cranial and peripheral nerves)
 Assessment of coma & of Health related Quality of Life (The QOLIBRI assessment tool)
 Unresponsive Wakefulness Syndrome (UWS)-- before known as Vegetative State (VS),
 Restoration of walking in completed SCI by peripheral nerve by-pass grafting,
 Clinical neuro-musicology , music & mind; music, dance for social competence.

Type of business **Surgical Neurology**, Neuro-intensive care medicine; -radiology: neuro-rehabilitation;
 Main activities Diagnostic electrophysiology: Applied brain research with nootropic drugs .
2003 onwards: Professor for functional neurorehabilitation & re-engineering of brain & spinal cord lesions , INI Hanover, Institute at the OVG-University, Magdeburg, DE
2003 onwards: CEO kww neuroscience consulting GmbH, Muenster, DE
1987 onwards: apl. Professor for neurosurgery Med. Faculty WWU Muenster, NRW, DE
1984: apl. Professor for neurosurgery, Medical Faculty MHH, Hanover, DE
1977: Habilitation in neurosurgery, Medical Faculty Univ. Frankfurt/M , Hessen, DE

Governmental Certificates : neuroradiology, neurointensive care medicine, eeg, emg, transcranial electro-stimulation neurophysiology – lab. medicine, neurosurgical - lab, med., Neurosurgical early neurorehabilitation medicine

Title of qualification awarded
Personal skills and competences
Education and training

Dates

2011--2014 EFNR -European Federation of Neurorehabilitation; Founding Board Member
2008 CNM- International Society for Clinical Neuromusicology eV Initiator, Founding Chair
2007 ISNNR –intern. Soc.for restorative neurosurg. rehabil. Co-Founding Honorary Member
2002—2012: WFNR--World Fed. Neurorehabilitation Executive Board Member (Chair WFNR Asian- Flying Faculty; Founding Chair SIG NRN eurorehab. of .reconstructive neurosurgery.
1998- 2007 EFNS Task Force Chair Apallic Syndrome Guidelines (AS-VS- UWS)
2003 MASCIN (MASSIN)-M. Samii Congr. Internatational .neurosurgeons. Initiator, Founding chair
2003 World AMN Int. academy for multidiscip. neurotraumatology, Founder, Hon. President
1999 The QOLIBRI Society eV Initiator & Co-Founding Chair-
1997 WFNS Committee-Neurorehabilitation and Restorative Neurosurgery, Founder -
1994 EMN- Euroacademy multidiscipl. neurotraumatology eV, DE, Founder, Hon.President

2007 Scientific cooperation Neurology, UKM, Münster, and - Fujita Health Univ ,Rehabil. JP
2007 - 2017 CNS-PNS graft induced muscle activity BRUNELLI's Research in rat model
1995- 2000 European Research Project "Stand up and walk" computer added locomotion

1982 onwards Lecturer international educational and training workshops in neurosurgery, and functional neurosurgical rehabilitation and the assessment of **QOLIBRI** after TBI.
1974-- 2004 WFNS, EFNS, EANS Lecturer, instructor.

Publications: 14 text books, 27 book chapters; 235 original scientific papers
2 scientific films (in English): Cerebral protection; Early neurorehabilitation;
Editor /co-author of national and international guidelines: Trauma care, AS/VS, MTBI,

Honors

2018 Order of Merit of North Rhine-Westphalia

Distinguished Professorships

2017 - Fujita Health Univ JP for Neurorehab. & reconstructive Neurosurg; Toyoaka,Aichi,
2013 –Burdenko NSI , Moscow RUS for restorative neurosurgery, Russ. Med. Academy,
2009 Al-Azhar Univ., Cairo EG for Neurorehab.& restorative Neurosurg.,.Dept Phys. Med-

2009: Dr. Honoris causa Univ. Medicine & Pharmacology Iuliu Hatieganu Cluj, RO

Visiting Professor for neurosurgery and neurosurgical rehabilitation

2012—2017 Fujita Health University, Toyoaka, , Aichi, **JP**;

2006 -2016 CRRC, Beijing, **PRCh**

2005-2013 da Rede SARHA de Hospitais Rehab. Center, Catholic. Univ., Brasilia, **BR**;

2002-2013: Armed Force & SCI Rheumatic Rehab. Hosp. Center, El Agouza, Cairo, EG.

Mother tongue)
Other language(s)

German

Social skills
and competences
age

English French

2016: Executive Board Fondazione G. Brunelli per la ricerca sulle lesion del midollo spinale IT

2009: President of the charitable Dres Klaus and Monika von Wild Foundation, Münster,,DE

2009 Member of the Kuratorium ZNS (CNS) Hannelore Kohl- Foundation, Bonn; DE

2008: Board of Trustees charitable International Neurobionic Foundation, Hanover, DE

Organizational skills and
competences

Congress President / Co-chairman of numerous international and national congresses /work:
Honorary member of numerous national and international societies;

Fellow Cuban Association of Clinical Neurophysiology

Münster, 10. 10. 2018
