

## Curriculum Vitae

<b><u>Full Name:</u></b>	Parvin Akbarov Alakbar
<b><u>Date of birth:</u></b>	17.05.1982
<b><u>Address:</u></b>	Azerbaijan, Baku, Sabail, Badamdar massiv 3, home 1024
<b><u>Phones:</u></b>	(012) 502-92-37
<b><u>Mobile:</u></b>	(+99455) 222-20-03
<b><u>E-mail:</u></b>	<a href="mailto:akbarovparvin@gmail.com">akbarovparvin@gmail.com</a>
<b><u>Web-site:</u></b>	www.reabilitasiya.az
<b><u>Nationality:</u></b>	Azerbaijani
<b><u>Military service:</u></b>	2007-2008 Compulsory military service
<b><u>Marrital status:</u></b>	Married
<b><u>Education:</u></b>	<ul style="list-style-type: none"> <li>• High Education: University of Welfare &amp; Rehabilitation Science (Tehran, Iran.) (Faculty: MSc physical therapy &amp; rehabilitation)</li> <li>• National University of Medical Sciences - Doctor of Philosophy in Osteopathic Clinical Rehabilitation (Sevilla, Spain.)</li> <li>• Gazi University – PhD in physical therapy and rehabilitation, (Ankara, Turkiye.) <b>continuing education</b></li> <li>• The Academy Of Public Administration Under The President Of The Republic Of Azerbaijan, (Baku, Azerbaijan.) <b>continuing education</b></li> <li>• Johns Hopkins University, Master's Degree in Health Care Administration ( Baltimore, USA.) part- time <b>continuing education</b></li> </ul>
<b><u>Speciality:</u></b>	<ul style="list-style-type: none"> <li>• Physical therapy and Rehabilitation specialist, Sports medicine, Osteopath</li> </ul>

- Healthcare management

**Work Experience:**

- From 2023 to the present day Advisor to the Director of Administration of the Regional Medical Divisions (TABİB)
- From 2023 to the present day Yeni Klinika Member Board of Directors
- From 2022 to 2023 Director of Azerbaijan Scientific Research Institute of Medical Rehabilitation
- A Lecturer at Azerbaijan Medical University from 2021 to the present day.
- From 2008 to 2021 Tusi Memorial Clinic, the Department chief (Rehabilitation specialist)
- From 2015 to 2017 Ganja Rehabilitation Center, medical director, chief doctor
- From 2011 to the present day Chairman of the Medical and Anti- Doping Committee in the National Karate Federation of the Republic of Azerbaijan
- From 2017 to 2021 Republican Diagnostic Center, Head of Rehabilitation center
- From 2020 to 2024 SEBA (Seul-Baku) clinic Department chief
- From 2018 to the 2025 Ganja International Hospital, doctor-medical consultant

**Training Experience:**

- Spine-med Decompression system, Canada Universal pain technology center (February 4th 2011, Canada, Toronto)
- High intensity Laser therapy, ASA energy for health company (25th September 2012 Italy, Vicenza)
- Enraf-nonius training and education specialist certificate (December 12th 2010, Netherlands, Rotterdam)
- OrtoFED scoliosis treatment method, El Centro De Rehabilitacion Y Medicina Fisica Sastre-Roca S.L. (November 28th 2013, Spain, Barcelona)
- ESWT application training with shockwave therapy devise DUOLITH SD1 - STORZ MEDICAL AG ( February 28th 2011, Germany)
- Cardiac Rehabilitation (Tehran Heart Center Hospital. September 24th 2014, Tehran )
- Comorbidities in chronic musculoskeletal pains. (June 5th 2014, Iran, Tehran )
- Iranian Orthopedic Association. The therapeutic effects of a 15-day physiotherapy package along with segmental traction therapy on patients with low back pain. ( 9th October 2015, Tehran)

- Technique Use & Application of the Spintronic Antalgic-Trak Spine; Decompression System (22th April 2017 USA, Florida)
- Modern Approach to treatment and rehabilitation of sports in injuries (10 th May 2018 Baku, Azerbaijan)
- Super inductive system therapy education (8th June 2018, Moscow)
- Men's health physiotherapy. An introduction to the intergraded male pelvis. (22-23th December 2018, Ankara)
- 1<sup>st</sup> International conference on Scoliosis Management (April 12-13,2019 Istanbul-Turkey)
- The innovative Occiflex treatment. (July 2019, Netherlands, Rotterdam)
- ITHRUSTINTERNATIONAL  
Advanced manipulation techniques and clinical assessment. (3<sup>th</sup> October 2019, Italy, Roma)
- Cranial osteopathy (21-22th September 2019, India, Delhi)  
Osteopathic manipulation of respiratory symptoms during COVID-19 by the American Osteopaths Association and the American Academy of Osteopaths (23th May 2020, USA)
- High intensity Laser Hiro TT therapy, ASA energy for health company (25th February 2021, Italy)
- Upper Cervical dysfunctions (February 2022, Ankara)
- Temporomandibular joint dysfunctions (May 2022, Ankara)
- Robotic rehabilitation technologies – Hocoma Academy (October 3-7, 2022, Switzerland)
- Robotic rehabilitation technologies-BTL Mediacal International (April 25, 2023, Prague, Czech Republic)
- International Train The Trainers-INDIBA (15-16-17 may 2023, İspania, Barselona)
- Neurorehabilitation Training Course on the management of major post-stroke complications (June 3-4, 2024, Bucharest, Romania)
- Course on Multidisciplinary Treatment of Traumatic Brain Injuries, Neurotrauma Treatment Simulation Center (NTSC), (June 17-20, 2024, Vienna, Austria)
- Robotic Therapy in Neurorehabilitation: Integration of Technology into a Multidisciplinary Approach and The Future of Robotic Rehabilitation: Technological Innovations, Real-World Applications, and Innovative Solutions (May 12–16, 2025, Chicago, USA)

### **Published articles:**

- European Journal of Physiotherapy and Rehabilitation – Effects of Segmental Traction Therapy in Lumbar Disc Herniation Associated with Acute Low Back Pain Identified by Magnetic Resonance Imaging (MRI)
- World Journal of Surgery – Use of Sialolithotripsy in the Treatment of Sialolithiasis (Vol. 42, Suppl. 1, May 2018)
- Journal of Health and Rehabilitation Research – Neuroanatomical Variations and Their Impact on Cognitive Functions (Vol. 4, No. 2, pp. 1234–1239)
- Journal of Health and Rehabilitation Research – Comparative Anatomy of the Respiratory System in Populations Living at High and Low Altitudes (Vol. 4, No. 1, pp. 1807–1811)
- Journal of Health and Rehabilitation Research – Effects of Aging on the Human Musculoskeletal System (Vol. 4, No. 1, pp. 1812–1817)
- Medical Records – International Medical Journal – Gender Differences in Decision-Making and Outcomes in Lumbar Spine Surgery: A Retrospective Analysis (Vol. 7, No. 2, pp. 450–453)
- Turkish Journal of Clinical Research – Robotic Rehabilitation in Individuals with Stroke (December 2025)
- International Journal of Medical Imaging – Prevalence and Clinical Significance of Incidental Findings in Cervical MRI Examinations
- International Liberty Interdisciplinary Studies Conference – Prediction of Acute Ischemic Stroke Risk Using Knowledge-Based Neural Networks (November 2024)
- International Journal of Computerized Dentistry – Computer-Assisted Evaluation of Surgically Assisted Rapid Maxillary Expansion Before and After Surgery (January 2011)

### **Participation in conferences**

- 1st International Conference on Conservative Treatment and Control of Scoliosis (April 12-13, 2019, Istanbul)
- 1st International Congress on the Application of Physiotherapy in Oncology (June 5, 2018, Amsterdam)
- World Confederation for Physical Therapy Congress (2-5 July 2017, South Africa)

- Stroke rehabilitation Module-1 "Stroke risk after Covid-19 and preventive rehabilitation measures for it" - July 07-08, Baku
- A new approach to the rehabilitation of stroke patients - "Stroke risk after Covid-19 and preventive rehabilitation measures" - October 22, Ganja
- Cardiology and Rehabilitation: achievements and perspectives - "Rehabilitation after bypass graft surgery" - November 5, Baku
- "Future Health Summit" "The future of health"
- Dedicated to the 100th Anniversary of the Birth of National Leader Heydar Aliyev, "6th International 2nd Caspian Sea Surrounding States, 4th Turkic-Speaking Peoples Congress on Bariatric Surgery and Metabolic Diseases (May 27, 2023 Baku)
- "World Physiotherapy Congress" "World Physiotherapy Congress" (June 2-4, 2023 Dubai)
- 1st Azerbaijan Spine Congress (September 16, 2023, Baku)
- "Methodology of Conducting Scientific Research" Conference in Azerbaijan. What is the Plagiarism? (April 5, 2024 Baku)
- "Traumatic Brain Injuries: Advantages of a Multidisciplinary Approach" (May 4, 2024 Baku)
- 4. International Balkan Congress on Neurology and Neuroscience (October 10-13, 2024 Tekirdag, Turkiye)
- 16th World Stroke Congress (October 23-26, 2024 Abu Dhabi, UAE)
- World Physiotherapy Congress (May 29–31, 2025, Tokyo, Japan)
- AMN Congress 2025 (July 4–5, 2025, Bangkok, Thailand)
- 5th International Scientific-Practical Conference of the Azerbaijan Society of Radiologists (October 10–12, 2025, Baku, Azerbaijan)
- Seminar on "Cardiopulmonary Rehabilitation" (October 10, 2025, Baku, Azerbaijan)
- 17th World Stroke Congress (WSC 2025) (October 22–24, 2025, Barcelona, Spain)
- ISPRM 2025 – Shaping the Future of Global Rehabilitation (November 3–7, 2025, Marrakech, Morocco)
- 8th Annual Stroke Conference of the Oman Stroke Association (December 5–6, 2025, Muscat, Oman)

**Scientific mission on  
rehabilitation team  
organization, work  
structure, continuity of  
procedures and treatment  
protocols:**

- Organization of rehabilitation group after acute stroke, especially early cognitive assessment, neuromotor recovery and diagnosis of dysphagia (University of Tulln 26-30 June 2023, Austria, Tulln), (Institute of Psychiatry and Neurology 03-14 July 2023, Warsaw, Poland),
- RehabWeek 2025 – International Exchange of Experience in Rehabilitation Technologies and Multidisciplinary Approaches (May 12–16, 2025, Chicago, USA)
- Founder and Director – New Robotic Rehabilitation Center (Yeni Klinika): Development of the center’s concept, structural design, and implementation of innovative robotic rehabilitation technologies

**Honors and Awards**

- COP29 Certificate of Appreciation – Awarded for active participation in the 29th session of the Conference of the Parties (COP29) to the United Nations Framework Convention on Climate Change, held in Baku, Azerbaijan, on November 11–22, 2024. The certificate was presented by President Ilham Aliyev. (2024)
- Recognition by the White House (USA) – Awarded to Dr. Parvin Akbarova for professional contributions to the healthcare sector and international collaboration. Presented by Vice President JD Vance and Second Lady Usha Vance. (2026)

**Speaker**

- International Conference on Advances in Allied Health Sciences – “Veterans’ rehabilitation program in Azerbaijan after the Second Karabakh war” - October 25-27, Lahore, Pakistan
- Fourth Congress of Azerbaijan Traumatologists and Orthopedists dedicated to the Second Karabakh War - "Rehabilitation strategy of veterans of the Second Karabakh War and rehabilitation measures after orthopedic operations" - December 17-18, Baku
- Cerebral palsy and society - organized by the New Clinic medical institution at the Thalassemia center (02.07.2023)
- The role of physiotherapy and rehabilitation in rare diseases - was jointly organized by the Union of Patient Organizations and the Public Union of Hematology Specialists of Azerbaijan (28.02.2023)
- Treatment of the musculoskeletal system in hemophilia - organized by the Doctor at the new clinic medical institution (17.04.2023)
- Meeting of Experts on Spinal Decompression was held in Prague, Czech Republic (24.04.2023)
- Conference "Methodology of Conducting Scientific Research" in Azerbaijan. What is plagiarism?-(April 5, 2024, Baku)
- "Regional meeting of the European Federation of Neurorehabilitation Societies" and "19th Congress of the Neuroprotection and Neuroplasticity Society" (July 10-11, 2024, Baku)
- “Developing a Comprehensive Republic of Azerbaijan Stroke Action Plan: Strategies and Implementation-WSO Global Stroke Alliance-(October 17-19,2024,Istanbul)
- Quality Indicators in the Rehabilitation of Post-Traumatic Brain Injury – AMN Congress 2025 (July 4–5, 2025, Bangkok, Thailand)
- Application of Robotic Rehabilitation in the Intensive Care Unit (ICU) – 8th Annual Stroke Conference of the Oman Stroke Association (December 5, 2025, Muscat, Oman)
- Roadmap for the Organization and Management of Stroke Services in Azerbaijan – 8th Annual Stroke Conference of the Oman Stroke Association (December 6, 2025, Muscat, Oman)

**Organizer**

- Cardiology and Rehabilitation: Achievements and Perspectives – “Rehabilitation After Coronary Artery Bypass Grafting” (November 5, Baku, Azerbaijan)
- Management of the Musculoskeletal System in Hemophilia – Organized by TƏBİB at Yeni Klinika (April 17, 2023, Baku, Azerbaijan)
- 1st Azerbaijan Spine Congress (September 16, 2023, Baku, Azerbaijan)

- Mulligan Manual Therapy Concept (October 4, 2023, Baku, Azerbaijan, Yeni Klinika)
- Conference on “Research Methodology in Azerbaijan” – What is Plagiarism? (April 5, 2024, Baku, Azerbaijan)
- Regional Meeting of the European Federation of Neurorehabilitation Societies and 19th Congress of the Society for Neuroprotection and Neuroplasticity (July 10–11, 2024, Baku, Azerbaijan)
- Traumatic Brain Injuries: The Chain of Survival – From Trauma to Recovery (May 5, 2025, Baku, Azerbaijan)
- “The Brain Speaks Silently: Clinical and Scientific Approaches in Neurorehabilitation” – Yeni Klinika (July 1, 2025, Baku, Azerbaijan)
- Physiotherapy and Rehabilitation: Modern Trends and Future Directions – Yeni Klinika (December 14, 2025, Baku, Azerbaijan)

**Professional Memberships**

- American Physical Therapy Association (APTA)
- American Congress of Rehabilitation Medicine (ACRM)
- International Functional Electrical Stimulation Society (IFESS)
- International Consortium for Rehabilitation Robotics (ICRR)
- European Stroke Organisation (ESO)
- World Stroke Organization (WSO)
- International Society of Physical and Rehabilitation Medicine (ISPRM)
