

AMN NEUROTRAUMA SCIENTIFIC SYMPOSIUM

COMPREHENSIVE APPROACH TO TRAUMATIC BRAIN INJURY:
EMERGENCY CARE - TECHNOLOGY APPLICATION -
PERSONALIZED TREATMENT

AMN INTENSIVES
4TH EDITION

13TH JUNE 2026
UNIVERSITY MEDICAL CENTER
HO CHI MINH CITY, VIETNAM

CHAIRS & SPEAKERS

PROF. DAFIN F. MUREȘANU, MD, PHD

Secretary General AMN
(Academy for Multidisciplinary Neurotraumatology)

President of the European Federation of
NeuroRehabilitation Societies (EFNR)

Professor of Neurology, Chairman Department
of Neurosciences Iuliu Hatieganu University of
Medicine and Pharmacy, Cluj-Napoca, Romania

EAN Scientific Panel Neurotraumatology
Management Group Committee Member

PROF. CHRISTIAN MATULA, MD, PHD

Professor of Neurosurgery, Director of skull base
division and head of the Neurotrauma, Neurosurgical
Department, Medical University of Vienna, Austria

Chairman AMN Educational & Training Board AMN

CHAIRS & SPEAKERS

ASSOC. PROF. NGUYEN MINH ANH, MD, PHD

Deputy Director, University Medical Center
Ho Chi Minh City

Deputy Head of Neurosurgery Department, University of
Medicine and Pharmacy Ho Chi Minh City

TRUONG THANH TINH, MD, PHD

Head of Neurosurgery Department

University Medical Center Ho Chi Minh City

NGUYEN VIET HAU, MD, SPEC. II

Head of Emergency Department

University Medical Center Ho Chi Minh City

CHAIRS & SPEAKERS

PHAN CONG CHIEN, MD, SPEC. I

Radiology and Imaging Department
University Medical Center Ho Chi Minh City

LE HONG CHINH, MD, MSC

Anesthesiology and Intensive Care Department
University Medical Center Ho Chi Minh City

ASSOC. PROF. DUONG DAI HA, MD, PHD

Secretary General, Vietnamese Neurosurgical Society
Head, Department of Neurosurgery and Spine Surgery
Hanoi Medical University Hospital

CHAIRS & SPEAKERS

LE DUC TAM, MD, MSC

Neurosurgery Department
Hanoi Medical University Hospital

DO HONG HAI, MD, PHD

Former Head, Pediatric Neurosurgery Unit
Neurosurgery Department, University Medical Center
Ho Chi Minh City

NGUYEN LONG PHUC, MD, MSC

Neurosurgery Department
University Medical Center Ho Chi Minh City

CHAIRS & SPEAKERS

DANG LE PHUONG, MD, MSC

Former Head, Neurocritical Care Unit
Neurosurgery Department, University Medical Center
Ho Chi Minh City

PHAM THANH BINH, MD, MSC

Neurosurgery Department
University Medical Center Ho Chi Minh City

PROGRAM

SATURDAY, 13 JUNE, 2026

LECTURE HALL 3A (FLOOR 3 - BLOCK A)

UNIVERSITY MEDICAL CENTER HO CHI MINH CITY

215 Hong Bang, Cho Lon, Ho Chi Minh City
Tel: (028) 3855 4269; Website: www.bvdaihoc.com.vn

CHAIRS

Prof. Dr. Dafin F. Muresanu
Prof. Dr. Christian Matula
Assoc. Prof. Dr. Nguyen Minh Anh
Truong Thanh Tinh, MD, PHD

07:30 - 07:45 **REGISTRATION**

07:45 - 08:00 **OPENING CEREMONY**

Prof. Dr. Dafin F. Muresanu
Assoc. Prof. Dr. Nguyen Minh Anh
Prof. Dr. Christian Matula

08:00 - 08:20 **Golden hour in traumatic brain injury**

Truong Thanh Tinh, MD, PHD

08:20 - 08:40 **Critical links in the TBI survival chain:
from the scene to hospital**

Nguyen Viet Hau, MD, Spec. II

08:40 - 09:00 **Imaging in TBI management and prognosis**

Phan Cong Chien, MD, Spec. I

09:00 - 09:20 **Optimizing TBI patients before surgery**

Le Hong Chinh, MD, MSC

PROGRAM

CHAIRS

Prof. Dr. Dafin F. Muresanu
Prof. Dr. Christian Matula
Assoc. Prof. Dr. Nguyen Minh Anh
Truong Thanh Tinh, MD, PHD

09:20 - 09:40 **Evolving Intracranial Lesions after TBI -
Clinical Challenges & Surgical Strategies**

Assoc. Prof. Dr. Duong Dai Ha
Le Duc Tam, MD, MSC

09:40 - 10:10 **COFFEE BREAK**

10:10 - 10:40 **The Brain on the Knife's Edge**

Prof. Dr. Christian Matula

10:40 - 11:00 **Updates on new surgical techniques in TBI**

Do Hong Hai, MD, PHD

11:00 - 12:00 **INTERACTIVE SESSION: TBI - RELOADED**

Prof. Dr. Christian Matula (moderator)

12:00 - 13:00 **LUNCH BREAK**

13:00 - 13:30 **Cerebroprotection in Surgical Brain Injury**

Prof. Dr. Christian Matula

13:30 - 14:00 **Post-operative brain physiology monitoring and
optimization**

Nguyen Long Phuc, MD, MSC

14:00 - 14:20 **CLINICAL CASE DISCUSSION:
From the Scene to the Surgical Decision**

Prof. Dr. Christian Matula (moderator)

PROGRAM

CHAIRS

Prof. Dr. Dafin F. Muresanu
Prof. Dr. Christian Matula
Assoc. Prof. Dr. Nguyen Minh Anh
Truong Thanh Tinh, MD, PHD

- 14:20 - 14:50 **Long-term Complication Management after Neurotrauma**
Prof. Dr. Dafin F. Muresanu
- 14:50 - 15:10 **Communicating prognosis with families of severely injured patients**
Dang Le Phuong, MD, MSC
- 15:10 - 15:40 **COFFEE BREAK**
- 15:40 - 16:00 **Surgery in rehabilitation after TBI: skull repair and shunt placement**
Pham Thanh Binh, MD, MSC
- 16:00 - 16:30 **MISSION AND VISION OF THE AMN: Multidisciplinary Treatment Development and Research Activities**
Prof. Dr. Dafin F. Muresanu
- 16:30 - 16:45 **Neurotrauma - the Next Generation**
Prof. Dr. Christian Matula
- 16:45 - 17:00 **CLOSING & TAKE HOME MESSAGE**
Prof. Dr. Christian Matula
Assoc. Prof. Dr. Nguyen Minh Anh

GENERAL INFORMATION

LOCATION

UNIVERSITY MEDICAL CENTER

HO CHI MINH CITY

215 Hong Bang, Cho Lon, Ho Chi Minh City

Tel: (028) 3855 4269

Website: www.bvdaihoc.com.vn

TARGET PARTICIPANTS

- Physicians and nurses with professional certifications or currently working in: Neurosurgery, Intensive Care, Neurocritical Care, Emergency Medicine, Anesthesiology, and Rehabilitation
- Interested healthcare professionals
